APPLICANT CERTIFICATION: I understand that applying to participate in any DEQ Nonpoint Source (NPS) cost-share program(s) does not guarantee that any or all of my request will be funded. In the event that all or part of my request is funded, I certify the following: I agree to install and maintain all best management practices (BMP) receiving cost-share through the DEQ NPS Program according to applicable standards and specifications as expressed in either the Department of Conservation and Recreation's (DCR) "Agricultural BMP Cost-Share Manual", or DEQ's "Nonpoint Source Implementation Best Management Practice Guidelines." I understand that my period of responsibility begins with the acceptance of payment and extends through the lifespan of the BMP in accordance with applicable standards and specifications. I understand that the lifespan begins on January 1 of the calendar year following the year of certification of completion. I understand that a BMP is subject to spot check by the funding agency(ies) or their designee throughout the BMP lifespan. I agree to allow funding agency personnel or their designee access to private property under my control for the purpose of evaluation, design, construction and inspection of said BMP(s) from this date forward through the required lifespan of each BMP. I agree to refund to the Grantee identified on this form all or part of the cost-share and/or tax credit I receive if my BMP(s) is/are found not to meet applicable standards and specifications at the time installation, during spot check or if the BMP(s) is/are removed or not properly maintained during the lifespan of the BMP(s). I understand that the sale, lease, or changed use of the property will not exempt me from fulfilling this/these requirement(s). Should the property change ownership or leasehold during the lifespan of the BMP, I agree to complete an agreement transferring responsibility for BMPs (see attached example agreement) signed by all involved parties and submit that signed form to the Grantee identified on this form. I understand I will be held responsible for the operation and maintenance of the BMP(s) for the duration of the BMP lifespan if the above referenced transfer agreement is not completed and submitted to the Grantee. The voluntary participation in this program does not relieve or relinquish me and my property (or farm operation) from compliance with ordinances, laws, and regulations that may exist at any level of government. I agree to allow the release of information related to location and extent of BMPs associated with this contract. I understand that cost-share funds are considered income and that I am responsible for compliance with all tax requirements including requirements of the Internal Revenue Service.
