Who is PSWCD?

Our Mission: To identify and provide technical, educational, and financial resources to the citizens of Amelia, Nottoway, and Prince Edward Counties in order to promote the wise use and conservation of soil, water, and related resources.

This list includes activities that are available to educators for borrow or brought to you. If you don't see it on this list ask as we have many more natural resource activities available.

Watershed Education:

- Enviroscape Demonstration
- Blue River whole class activity

Water Cycle:

- Incredible Journey whole class activity

Soils:

- Texturing Lab
- Keeping Soil In it's Place Lab

Wetlands:

- Demonstrate how they work

Other natural resource topics:

- pollination
- limiting factors
- trophic levels
