

# WE INVITE YOU TO HAVE AN ENVIROTHON TEAM

2023-2024

Welcome to a new ENVIROTHON year! We hope to see your school represented in this environmental and natural resource conservation problem-solving, teambuilding and leadership experience and competition, known as the **Envirothon**.

This information will help you get started.

Wed, Oct 25, 4:30-5:30

Virtual Envirothon KICK OFF

## Good to Know!

- Build a team of 5-7 HS students
- Our office has traveling Envirothon topic trunks for coach and student use.
- We hold a school day long training workshop later in the year.
- The sooner you get started the better!
- Area competitions occur early Spring.
- Winners move on to the State Competition.
- Coach stipend available

## Envirothon Topics (SOL aligned)

Team members will become very familiar with these five topics....

1 AQUATICS

2 FORESTRY

3 WILDLIFE

4 SOILS

SPECIAL TOPIC:

5 RENEWABLE ENERGY FOR  
A SUSTAINABLE FUTURE

CONTACT:  
PIEDMONT SOIL & WATER  
CONSERVATION DISTRICT

## Team Building and Training Opportunity Saturday, November 19 -

Travel to Graves  
Mountain Lodge for a day  
long, all topic experience.  
Teams and coaches from  
all over the state attend.  
Let me know if you need  
funding to make this  
happen.
