#2 2023-2024

Mark Your Calendars

- Friday, March 22-training workshop at Waid Recreation Park
- Thursday, April 18-Area V Envirothon Competition at Ferrum College

Hi coaches and teams,
We have been lucky to have Envirothon events close to home the past few years. The reality is more like this year, locations bounce around the state. I hope this won't make things too complicated for you. It will be nice to be in the beautiful mountains. Let me know how I can help.

Aquatics

Types of Wetlands

Soils

Recorded webinar:Fascinating things about the soils in Virginia (38 min)

Special Topic:
Renewable
Energy

Video:Energy Literacy (5 min)
how energy decisions are made

Recording of special topic training:
Climate Change (1 hr)

Forestry

15 Minutes in the Forest: a series of videos highlighting trees, forest practices and more, a great way to learn (may want to take notes)

- Common Trees of the VA Southern Piedmont part 1
- Common trees of VA Southern Piedmont part2
- Tree ID in the winter

Wildlife

- Video:Ecology Levels & Populations (5 min)
- Generalist & Specialist Species

Tips for success:

- Do not wait until last minute to come up with an Oral Presentation plan
- Review the study resources & tell friends and family what you have learned
- Seek out info on your own too
