

ENVIRONMENTAL EDUCATION RESOURCE REPORT

ISSUE 1

FALL 2024

SERVING AMELIA, NOTTOWAY
& PRINCE EDWARD COUNTIES VA

IT'S A TERRIFIC TIME TO TEACH YOUTH

Welcome back! I hope you will make it your goal to GET YOUR STUDENTS OUTDOORS more this school year. Not sure how to get started? Send me an email. I'm here to help and support YOU! Also, we have a plethora of FREE nature education activities to assist with the SOL concepts that I can bring to you or for loan. Contact me anytime! Hope to hear from you.

All the best,

Kelly Atkinson

Education Coordinator

Piedmont Soil & Water Conservation District (PSWCD)

Who is PSWCD?

Our vision:

The Piedmont Soil and Water Conservation District envisions Amelia, Nottoway & Prince Edward Counties as areas committed to stewardship of its soil health & water quality.

We offer these FREE activities that are available to educators for borrow or brought to you. If you don't see it on this list ask as we have many more natural resource activities available.

Watershed Education:

- Enviroscope Demonstration
- Blue River whole class activity

Water Cycle:

- Incredible Journey whole class activity

Soils:

- Texturing Lab
- Keeping Soil In it's Place Lab

Wetlands:

- Demonstrate how they work

Other natural resource topics:

- pollination
- limiting factors
- trophic levels
- Ecosystems
